

RootsScrub EB 430

Mains Operated or Battery Driven Automatic Scrubber Drier

For quick, economical and effective cleaning.
Wet scrubbing and vacuuming
- spotlessly clean in one operation.

ROOTS -
perfect from
product
to service

RootsScrub EB 430 up to 1,700 sq. mtrs. cleanliness/hour.

The RootsScrub EB 430 machines are handy, mains operated or battery driven scrubber-driers for quick, economical and effective cleaning of all types of hard floors. The extremely compact and robustly constructed machine guarantees a high degree of maneuverability, easy handling and good visibility. The height adjustable operating handle and the adjustable brush drive (Power-flow) are ideal for fatigue-free operation. Electric brush change, straight squeegee as well as easy access to the machine ensures low running costs, optimum cleanliness and ease of maintenance.

Variety of brushes and pads are available as option to suit your floor requirement. Oil resistant squeegee is available as option for oily floors.

All operational switches are within direct view and easy reach of the operator. Ergonomic handle for operators of any height. Excellent view of the area of be cleaned.

Easy tank cleaning, thanks to the large tank opening. Tank can be emptied quickly and easily via the large outlet hose. Overflow protection for the dirty water tank.

The straight, floating squeegee makes working close to edges possible and ensures that no water streaks remain even when negotiating corners.

Brushes can be changed quickly without the need for any tools at the push of a button. Comprehensive range of accessories.

Technical data		B430	E430
Number of brushes	Units	1	1
Brush diameter/working width	cm	43	43
Effective suction width	cm	75	75
Theoretical area performance	m ² /h	1700	1700
Air flow - Min	m ³ /h	108	155
Vacuum	mbar (mm/WC)	110 (1100)	187.5 (1875)
Nominal voltage, frequency	Volt/Hz	24 DC/-	230 AC/50 Hz
Power requirement, total - Max	W	800	1800
Power brush motor - Max	W	450	800
Power suction motor - Max	W	350	1000
Working speed	up to km/h	4	4
Brush speed - Min	rpm	280	280
